Tips for achieving

- ① Not thinking about maintenance
- ② Increase the number of series including backups
- ③ Increase the number of 3-star achievers within the series
- ④ Just dig straight into it
Increase the series and get 3 stars in the series
If we can increase the number of achievers
Mercury can be cleared with plenty of time.

The title increases as the number of series increases.

Your job is to develop people who can do the same thing as me, so I can succeed regardless of my ability or lack thereof.

Utilization and possibility of binary bonus (relay where one person tells two people)

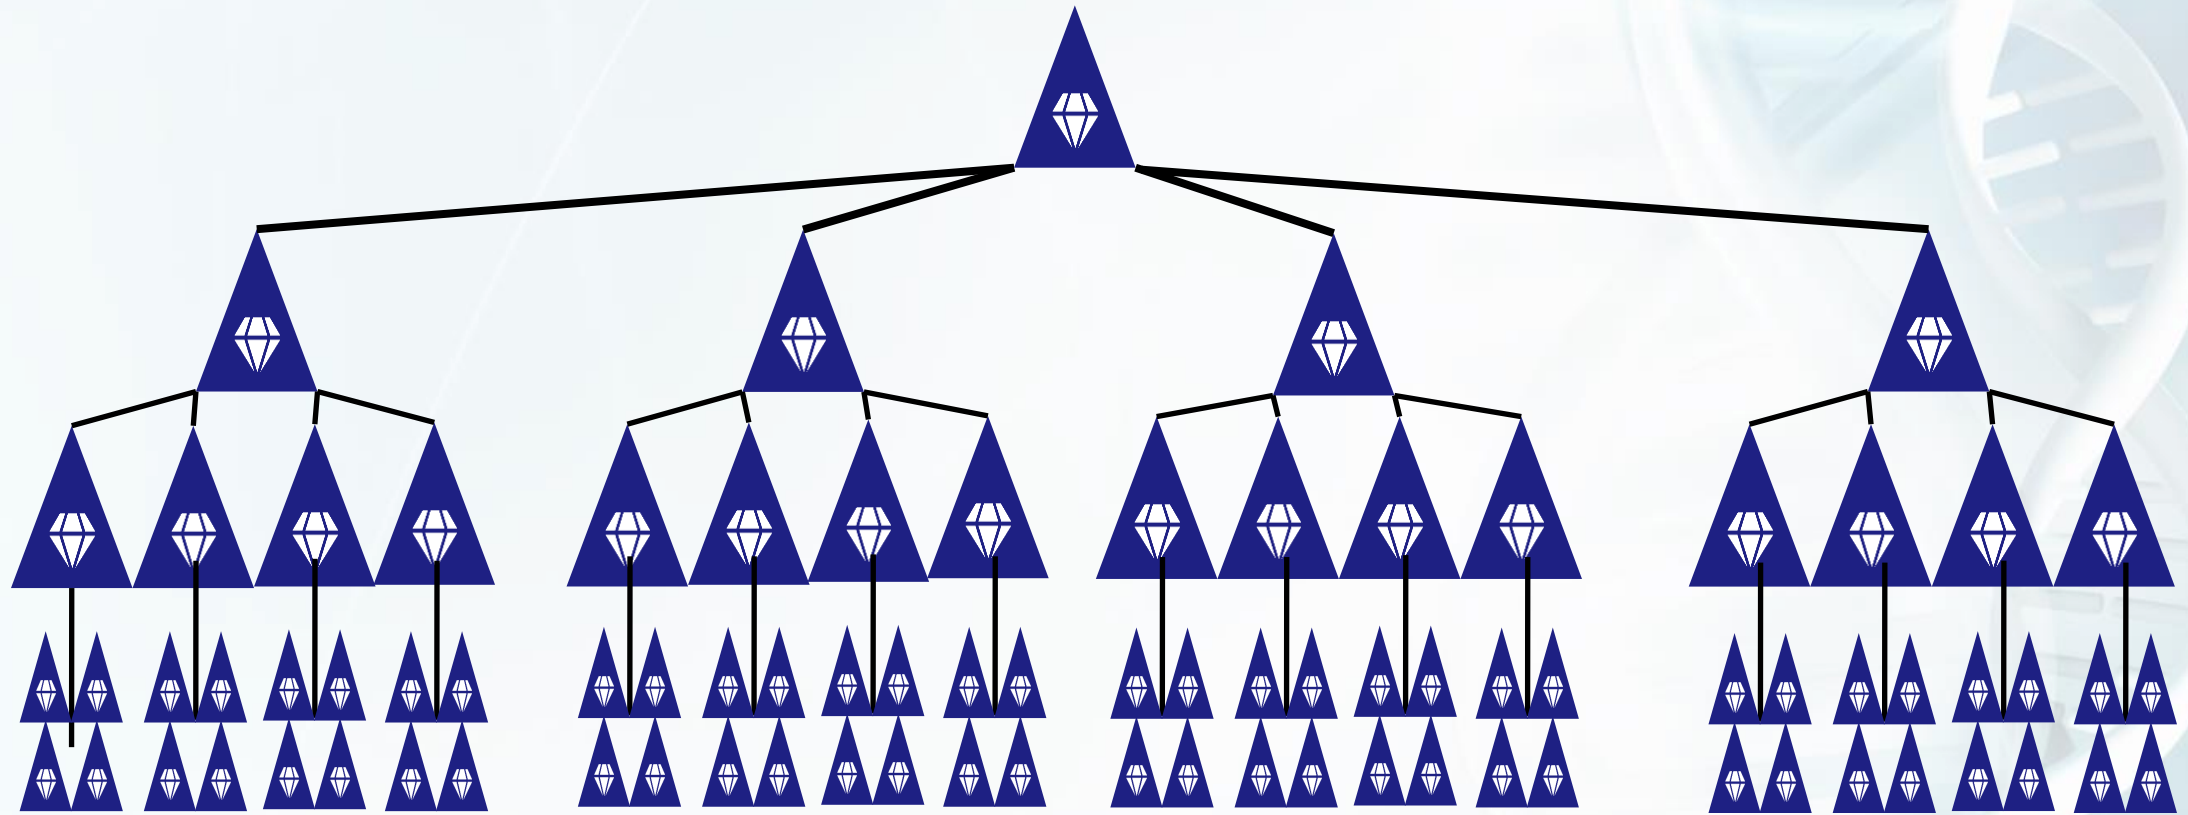

You can make 30 business friends by having everyone do the same thing just 4 times.

But you only told the first two

the most important thing

Ability to achieve goals

**Don't give up, do it until you can
(I don't have the experience...I can't make an

What you need to achieve your goals

- It is not possible with just psychology and spirit.
- 1. Sense of responsibility (take it as 100% your own responsibility)
- 2. Self-management ability (autonomy, self-love, self-reflection \Rightarrow freedom)
- 3. Setting appropriate goals and deadlines
- 4. Various means to achieve goals
- (Especially utilize the power of those around you)
- 5. Clarification of the process for achieving goals

To acquire the ability to achieve goals

- 1. Prepare short-term goals starting from the due date.**
- 2. Announce your goals to others**
- 3. Use high-achieving leaders as references (copies)**
- 4. Imagine the feeling of accomplishment after achieving your goal.**
- 5. Reflect and improve when you fail to achieve your goals.**

Once in a lifetime, what do you want to be?

Living expenses after retirement...

If I can no longer work...

I want to break away from my current living environment...

I want to have financial and time freedom...

I want to make my dreams come true...

I want to see my family's smiles...

Once you know it, all you have to do is do it. The road to monthly income of ¥10million(\$66k).
